Can you achieve a Simultaneous Settlement

Is that better?

I involved myself in the Detroit Newspaper strike
where my union business agent, Jeff Rudyski
(now an international business agent to get
local & international and NEBF and professional
international (lucrative pension) along with other

press
warrantance unions settled early with \$50 a
month tool allowances, to leave the pressman,
drivers, reporters, advertisers, artists, out
to dry. The workers together could win. We are both workers & public.

How to do well for the people of the past
present, or future with a change(s) in the system(s)
that will enrich quality of life, in health,
happiness, and creativity. New Activities for
public works that benefit the public here in Detroit
and internationally.
